Multi awarded website praised by Forbes, Newsweek, The Times, Yahoo, How, Metropolis Magazine, Elle Decor, Domus etc..

How, USA
The current Top 10: «Addicted to design? Here’s your latest fix. Design Addict is an online resource for postmodern and contemporary design, where you’ll find info on designers, furniture and more. The site also boasts the most comprehensive online list of design manufacturers.»

Forbes, USA
Best of the web: «A lush, cross-referenced database of designers, producers, and sales resource. And don’t miss the 355 vintage design links. The emphasis at this handsome site is on sharing information by and for design lovers the world over.»

Newsweek, USA
Net Results - «Design Addict: Perhaps the best-designed design site, it’s like an artist and product encyclopedia plus Rolodex...»

The Times, UK
The Arts Online: «Design Addicts - A haven for those who cannot get enough of their Eames chairs and Peter Schlumbohm coffee makers, this Belgian-run site has much to recommend it as a database designed to serve and link the global design community.

Metropolitan Home, USA
Website of the month: «Designaholics will love designaddict.com -- and not only for its links to almost every other design site. It also has an extensive index of designers and manufacturers, a bibliography of books on 20th-century design and even virtual exhibitions.»
