

Regulations and planning

Brussels Design Market International Fair of Vintage Design of the 20st century 18th and 19th of March 2017 – 23rd edition Sheds 3 & 4 - Tour & Taxis

Place

Sheds 3 & 4 - Tour & Taxis, avenue du Port 88, 1000 Bruxelles

General planning

NEXT EDITION GENERAL PLANNING WILL BE AVAILABLE SOON

- When the market is closed, Sheds are not accessible and will be guarded by security guards.
- It is not allowed to disassemble the stands before the end of the event.
- Please respect the markings on the floor.

Good to know

- For any questions or need, please ask to the reception located at the entrance of Shed 4bis.
- 50 skateboards will be available at the reception to help you during instalment: you can borrow them at the reception on presentation of your identity card. You will receive your ID back when you'll bring back the skateboards.
- As a result of the new security measures, security guards present on the site may inspect (hand)bags of every person (exhibitors and visitors) entering the Sheds.
- You have to bring along any equipment you need to build up your stand.
- Ceiling suspensions are not possible.
- **It is forbidden to use the walls of the exhibition rooms (Hooking, nailing, painting, etc.). Any damage to the walls of the Sheds will be charged.**
- You have to ensure your presence (or the presence of a collaborator) at your stand. You are entirely responsible for the supervision of your stand during the market.
